

UFL

```
graph LR; UFL[UFL] --> FC[Form Compiler]; FC --> UFC[UFC]
```

A flowchart illustrating a compilation process. It consists of three rectangular boxes connected by arrows. The first box on the left is light blue with a black border and contains the text 'UFL' in bold black font. An arrow points from this box to a second, white box with a black border containing the text 'Form Compiler' in black font. Another arrow points from the 'Form Compiler' box to a third, light blue box with a black border on the right, containing the text 'UFC' in bold black font.
